Ejemplo de Generación: Efecto de Perfil Hormonal

Prompt: "I'm feeling anxious about my exam tomorrow."

Baseline:

I'm feeling anxious about my exam tomorrow. I think I should study more and try to stay calm...

Empathic:

I'm feeling anxious about my exam tomorrow. I understand that feeling. It's completely normal to feel nervous...

Creative:

I'm feeling anxious about my exam tomorrow. Imagine your anxiety as a butterfly, fluttering...
